- Gather Fire, Air and Water Crystals to gain more power and defensive strength. Be sure to keep Fire and Water Crystals apart!
- Create Super crystals by gathering all 3 elements, then make a daring raid through the secret passage to capture a sparkling diamond!
- Find and bring back Dragon eggs to win extra lives.

## CONTROLS

### To Fly

- Press Fire button to flap the Dragon's wings and gain altitude (each time you press a button the wings flap once).
- The dragon descends when you don't flap its wings.
  - Pull joystick DOWN to descend faster.
- Pull joystick left or right to set the Dragon's direction.

**To Throw Fireballs:** Push joystick up and diagonally.

**To Pick Up Crystals and Eggs:** Move joystick UP while the Dragon's feet touch a Crystal or an Egg.

**To Drop Off Crystals and Eggs:** The Dragon releases them automatically when it reaches the Den.

- Fly your Dragon to the outside world to get Eggs and Crystals.
  - Flap its wings and find your way out of the Den.
- On its quest, the Dragon meets many kinds of enemies...
  - Destroy them with fireballs to score points.
  - Most enemies turn into crystals when they're destroyed.
    - \* When all fireballs are gone, the Dragon has no way to destroy enemies.
  - Every contact with an enemy makes the Dragon lose some strength.
    - \* When all the Dragon's strength is gone, the next enemy contact kills the Dragon.
- Each newly-born Dragon has at least 10 fireballs and enough strength to survive 10 contacts with its enemies.

  - **IMPORTANT:** If Fire and Water are brought to the Den, they'll destroy each other, unless you keep them apart with an Air crystal. Get crystals in either of these sequences:

    - \* Water...Air...Fire

**Super Crystals:** These multi-colored crystals are created when the Dragon brings home a Fire, Air *and* Water crystal.
